NEWSLETTER January 2009

Hi Everyone,

Happy New Year, I hope Christmas was a special time for you and your family and that the New Year proves to be prosperous, exciting and rewarding for all. Another term is about to begin so I hope you are ready to join us for another fantastic adventure of new classes showcasing new ideas, new papers, fantastic new stamps designs, fun machines and wonderful embellishments.

We have heaps of special offers for you in January so take time to read a little further down the page.

For those who like chocolate, you might like to know that we have a gorgeous little chocolate shop that has just opened up (around the corner in Main Street)... very tempting. I have already done the testing for you, so if you have time drop in and give yourself a special treat.

I hope to see you soon for another wonderful term filled with artistic creation.
