+ GREAT BARGAIN BINS

Wednesday 17th to Friday 19th June

Open late on Wednesday 17th until 9pm

SALE continues from Monday 22nd until 30th June.

Hi Everyone,

A bit of history about a little shop in Blackburn: Bellbird Place opened its doors on Saturday 28th October 1995. The mix of product over the first few years concentrated mainly on Australian giftware, art work and jewellery with a small range dedicated to paper craft products.

Being creative I wanted to introduce people to the art of making greeting cards so the range of stamps and paper arts began to grow. The first range of stamps available in the shop was Hero Arts and we offered one class on Saturday mornings.

14 years later the shop has a new name 'Bellbird Paperarts', and due to the demand from craft lovers the stock ratio has turned around so the majority of product relates to paper craft and with a team of 4 we now teach up to 6 classes a week. We still stock a range of quality giftware and unique jewellery but today the main emphasis is on our range of fantastic papers, artistic rubber stamps and accessories.

After 14 years the carpet is well worn so as of 1st July we are going to undergo a little facelift, with new flooring and a shelf and counter re-shuffle to give a fresh and more open look to the shop. So we will be closed from 1st to the 4th July ready to **reopen on Monday 6th July** with a fresh and fabulous new look.

So call in from 17th to 19th June (3 days exclusive for you) as we are offering 25% OFF all craft and 30% OFF jewellery and giftware. We are also open until 9pm on Wednesday for late night shopping.
