WHAT'S HAPPENING

CLASSES

This year we have 3 terms of classes starting with term 1 from 3rd March to 31st May.

SO ... at Bellbird Paperarts

we should have a class to suit everyone.

There will be new ideas, new stamps, dies and NO DOUBT there will be lots of fun.

Our team has changed a little with Jackie focusing on shows only this year and Lenise and Cathy H are having a little time off from teaching.

Here is the TEAM for TERM 1 - 2018

Sue is using lots of colour & is having fun with some very cute NEW stamp designs.

Tamara is having LOTS of fun doing backgrounds using Distress Oxide ink pads.

Carolyn shows you a new background technique using an old favourite - Perfect Pearls.

Jenn has a new technique using the mini Archival ink pads to create some great (and surprising) backgrounds.

Glenice is offering 2 classes this term.

A pretty one for the ladies and something for those mere males in your life.

AND then there is me...

Cathy - Most of you know I LOVE watercolours and the new Gansai Tambi pan colours will make dies & stamps shimmer with colour.

Thank You

I would like to say thank you to everyone for your kind words and beautiful cards when my dad suddenly passed away early in January. I am also very grateful to all my staff for holding the fort at the shop, for their friendship and support. Thank you from the bottom of my heart.
